

COVID-19 in Ireland

As of 27th of January 2022, over 90% of the eligible population has been fully vaccinated in Ireland and 60% received their booster vaccine. Ireland is open for business and ready to welcome WPC 2022 delegates to Dublin in May.

To ensure our delegates' and staff's safety, health and wellbeing, we are committed to providing a safe environment to anyone attending WPC 2022 in Ireland.

Proof of vaccination/ Proof of Covid-19 recovery

As of January 2022, there is currently no requirement for delegates to provide a valid EU Digital Certificate or comparable proof of recovery within the previous six months to access the conference. However, should this requirement change, delegates will be notified. Please check with your airline (if applicable) for any travel restrictions.

Respiratory Hygiene

We request that all delegates observe best respiratory hygiene, please cover your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissues appropriately.

Social Distancing

When entering and moving around the building please observe social distancing of 1m where feasible. Please observe any signage alluding to One Way routes and follow arrows where appropriate.

Ventilation

In adherence to all current guidelines, all areas of the venue will be ventilated. Wherever possible, outdoor areas will be available for delegate use along with indoor facilities.

Sanitation

Hand sanitising stations are located throughout the building. Please sanitise your hands regularly.

Masks

Delegates and exhibitors will be advised to wear masks indoors during the Congress.

Limit numbers in small spaces

Pay attention to signage requests limiting numbers in small areas such as elevators and bathrooms.

Refreshment Breaks Crowd Management

Follow social distancing requests when queuing for food.

Stay Safe If Unwell Stay Home

Self-isolate if you are showing symptoms of, have tested positive for, or are a close contact of someone with, COVID19.
